Girl Scouts Start Cookie Sale Tomorrow; Money to Go for Summer Camping

Girl Scouts and Brownies throughout the Torrance area will canvass their neighborhoods tomorrow armed with Girl Scout cookies which they will sell in order to raise money for summer camping.

The girls will sell the vanilla sugar wafers and assortment of chocolate and vanilla sandwich cookies to friends, neighbors, and relatives, and also will set up booths in shopping centers through the co-operation of local merchants.

The sale, with the slogan "Be a Good Scout," will continue from tomorrow through Saturday afternoon, Feb. 27. Participants throughout the Los Angeles Council have as their goal 500,000 boxes of cookies or \$110,000 which will defray camping expenses for hundreds of girls in the area.

A special kick-off ceremony will be held at the Madrona Ave. School, with all Girl Scouts and Brownies in the area gathering first at the school, then dividing into groups to sell the cookies from door to door.

Heading the committee in Torrance District is Mrs. Carl Osterlind. Neighborhood chairmen are Mrs. Hugh Brady, Madrona Ave.; Mrs. Leonidas Stampos, Torrance Elementary School; Mrs. Don Menger, Walteria; Mrs. Truman Fash, North Torrance; Mrs. L. L. Meredith, Perry-El Nido; and Mrs. Lorne Bristol, Seaside.

Sno-Cats stalk trouble in the mountains. High in the snow country of the Pacific West, winter blizzards are fierce and frequent. Here motorized Sno-Cats help telephone crews roll out fast to stop trouble before it can interrupt service. The powerful "Cats" carry 6 to 8 men comfortably, cruise over the snow and ice at speeds up to 25 miles an hour. Using these vehicles instead of skis or snowshoes, our mountain crews patrol vast areas faster. They can spot such potential troublemakers as leaning poles, broken branches, wires buried in towering snow drifts. By saving valuable time and helping prevent trouble, the Sno-Cat helps us cut costs, hold down the price of telephone service to you. Pacific Telephone works to make your telephone a bigger value every day.
